

## Procurement Policy

QTC Energy Public Company Limited is committed to achieving sustainable business growth and earning the trust of all stakeholders through a professional, transparent, and fair procurement process. Accordingly, the Company has established this Procurement Policy, with the key principles as follows:

1. The Company conducts procurement activities in a transparent, fair, and verifiable manner.
2. The Company strictly and fully complies with all laws and regulations related to procurement.
3. The Company treats all business partners fairly and without exploitation, providing complete, accurate, clear, and equal information, with no discrimination.
4. The Company selects business partners who prioritize minimizing environmental and social impacts and who operate with strong corporate governance.
5. Suppliers are required to strictly comply with “**Code of Conduct and Guidelines for QTC’s Supplier**”, as well as all applicable laws and regulations governing the business relationship.
6. The **Anti-Corruption Policy**, together with other related policies linked to anti-corruption practices, forms an integral part of this Procurement Policy.
7. If suppliers identify any non-transparent practices or conflicts of interest involving the Company’s personnel, they must immediately notify the Company.

The Company requires all personnel involved in procurement activities to strictly adhere to this policy and the established operational procedures. The Company also seeks the cooperation of all suppliers in strictly complying with this Procurement Policy, as well as QTC’s Supplier Code of Conduct and Supplier Guidelines, in order to achieve sustainable and long-term shared growth together.

## Procurement Policy and Supply Chain Sustainability

An overview of QTC Energy’s procurement policy that focuses on professionalism, fairness, and sustainable growth by partnering with organizations committed to good governance and environmental stewardship.

### Principles of Sustainable Procurement

**Transparency, fairness, and accountability**

Legal compliance and fair, non-discriminatory treatment of all partners.

**Supplier Code of Conduct Compliance**

All suppliers must strictly adhere to QTC’s Supplier Code of Conduct and supplier guidelines.

**Anti-Corruption Policy**

Anti-corruption forms an integral part of the procurement policy and must be strictly observed by employees and business partners.

### Criteria for Supplier Selection and Collaboration

**Selecting suppliers based on ESG factors**

Prioritizing suppliers with strong environmental responsibility, social accountability, and good governance.

**Reporting suspected transparency issues.**

If any conflict of interest is identified, suppliers must promptly notify the company to ensure transparency.

**Committed to achieving sustainable shared success.**

Collaboration under this policy fosters long-term sustainable success.
